REMARKS

The drawings filed September 9, 2003 are rejected by the Draftsperson under 37 C.F.R. 1.84 because the lines, numbers and letters were not uniformly thick and well defined in Figures 1-9 and the numbers in reference structures were not plain and legible.

Applicant submits new drawings which corrects these deficiencies. Applicant now respectfully requests that the corrected drawings be accepted, thus permitting the application to issue.

No fees or extensions of time are believed to be due in connection with this informality. However, if there is a fee due please charge to Deposit Account No. 26-0084.

Respectfully submitted,
